Soon, the work begins!

Our Church Conference met this past Wednesday to receive and act on the report of our building Committee. It was my hope and prayer, that if the recommendations of the Building Committee were approved, there would be at least a 90% majority. The approval exceeded my hopes.

Briefly, the Church Conference approved the following:

1. Renovation of the Sanctuary (with new restroom in narthex) and first floor area commons area and first floor education area; and addition of an elevator.
2. Trident Construction will be the general contractor.
3. Financing through Conway National Bank.

I want to say a special word of thanks to the following:

Our Building Study Committee, which laid the groundwork and retained the architectural firm

Gary Brown and his colleagues at Goforth Brown and Associates for diligent work and wise counsel.

Our Building Committee, which has faithfully listened to the congregation while seeking to discern and follow the will of God for our church.

The various sub-committees of the Building Committee for dreaming, guiding and advising.

Our District Superintendent, Quay Adams, and District Board of Buildings and Locations for advice, encouragement and support.

Most especially, I want to thank those members of our congregation whose prayers, patience, honest discussion, and support have enabled our church to move forward with assurance and unity of spirit. Soon, the work begins!

And do remember, God loves you; and so do I! ~~~~ Mac

Shepherd's Table

Recently, the Shepherd's Table experienced a huge loss when its industrial size freezer stopped working. All the meat that was stored in the freezer was no longer useable. Donations of all meat products are greatly needed, ground beef, chicken, hot dogs, etc. Please take your donations to the Shepherd's Table at 1412 Gamecock Ave.

United Methodist Men

UMM will not meet in June but will meet on Monday, July 12. Please make a note of the changes.

The Kingdom Experiment

Co/Ed Bible Study for all youth beginning June 13 at 7:00 p.m.

The Kingdom Experiment is a challenge to live this kingdom intentionally. It won't be easy. And it may get uncomfortable. But, if you commit to live what a carpenter started 2000 years ago, you too will experience the kingdom of which He spoke.

The Book of Nehemiah

Choir Appreciation

FUMC wishes to thank those who have given freely of their time and talent to provide music for worship and other occasions in the life of our church. We are blessed with much talent at FUMC and there is a place for everyone who wishes to be involved. 75 people from preschool-adult have been involved in music ministry this school year through Chancel Choir, Adult Handbells, Youth Handbells, Youth Orchestra, Cherub Choir, Wesley Treble Choir, and Handchimes. Thanks be to God for your gift and your commitment!

For High School Girls

Rebecca Harper will be leading a bible study entitled *Lady in Waiting* by Jackie Kendal, beginning June 16 at 7:00 p.m. in the FLC. When you're single, waiting for Mr. Right can be one of the most difficult situations you face. With humor, honesty, and biblical truths, this study will help you fill the time by becoming the right woman while you wait for the right man. By studying the biblical character Ruth, you'll learn the valuable characteristics that every young woman of God should develop. Please sign up today!

FUMC Children

The Children's Ministry of FUMC wishes to recognize the awards received by our children on Awards Day at their schools. Please contact the church office by June 22 so that your child's award may be published in the July newsletter.

Reverend Quay Adams

The Reverend Quay Adams, Marion District Superintendent is retiring. The Committee on the District Superintendency invites you to participate in a monetary gift as a way of thanking and honoring Quay and his family for their service. Our church will be contributing to this gift. If you would like to add to this contribution, please mark your gift clearly and place in the offering plate.
