Due to COVID-19 precautions we are unable to do bus pickups from Conway Elementary School at this time. All children need to be dropped off this year at the Family Life Center portico entrance. Before entering the building, we require that all students have a facemask for the duration of their time in any campus buildings. We appreciate your understanding.

Would you be willing to help with snack supplies? ____yes____no

Would you be willing to assist with special trips and/or events? ____yes____no
